Comments on:

Letter from Governor William Williams, Moose Factory, 20 Sept. 1825 [copied in Eastmain journal]:
"The Bearer, James Dickson, Blacksmith, who is to winter with you, I have known for some years, he is an exelent [*sic*] Workman, diligent, Sober, and attentive. I therefore recommend him, that he may be kindly treated, which his character deserves."

B.59/a/110, fo. 9

Chief Factor Joseph Beioley, 8 Aug. 1826

"...appears to me to be a good Workman - active and industrious in his Business - and his general Conduct has given Satisfaction. He had a written Recommendation from Gov. Williams to Mr. Erlandson, the Clerk in Charge- which I did not see until after I had received the E.[ast] Main Journal with the other E.Main Papers in July last. (Vide E.Main Journal Oct. 12th.) The "Kind" Treatment there recommended on account of his Character was I believe uniformly extended to him by Mr. Erlandson, - the same as to the other men - and in the customary manner."

B.186/e/10, fo.12d.-13

Chief Factor Joseph Beioley, 22 Aug. 1827:
